

**Notification of the Department of Livestock Development**

Re: Prescribing of the Especially Controlled Animal Feed Requiring  
Production Facility Audit and Approval,  
B.E. 2560 (2017)

For advantages of the quality control of especially controlled animal feeds that are imported into the Kingdom regarding their hygiene and safety to animals or human consumers of animal products,

By the virtue of Clause 3 of the Notification of the Ministry of Agriculture and Cooperatives Re: Prescribing of the Rules, Procedures and Conditions for the Importation for Sale of Especially Controlled Animal Feed, B.E. 2560 (2017), the Director-General of the Department of Livestock Development hereby notifies as follows:

Clause 1 This notification is called the "Notification of the Department of Livestock Development Re: Prescribing of the Especially Controlled Animal Feed Requiring Production Facility Audit and Approval, B.E. 2560 (2017)".

Clause 2 This notification shall come into force from 1 August 2017 onward.

Clause 3 The following especially controlled animal feeds are required to have a production facility audit and approval prior to importation:

- (1) Types of raw material
  - (a) Meat meal
  - (b) Degreasing meat meal
  - (c) Meat and bone meal (MBM) (45% Protein)
  - (d) Meat and bone meal (MBM) (50% Protein)
  - (e) Poultry meal
  - (f) Poultry by-products meal
  - (g) Feather meal
- (2) Animal supplements: mineral supplements derived from animal bones.

Notified on 25 July 2017

Apai Suttisunk

Director-General, Department of Livestock Development
