

How to safely import animal feed derived from animals into the Kingdom of Thailand ?

I am going to import animal feed derived from animals such as...

What should I do?

Meat and Bone Meal! Poultry By-Products Meal!

Meat meal! Poultry Blood Meal!

Degreasing Meat Meal! Egg Powder!

Blood Meal! Bone Meal!

Plasma Powder! Feather Meal!

Step 1

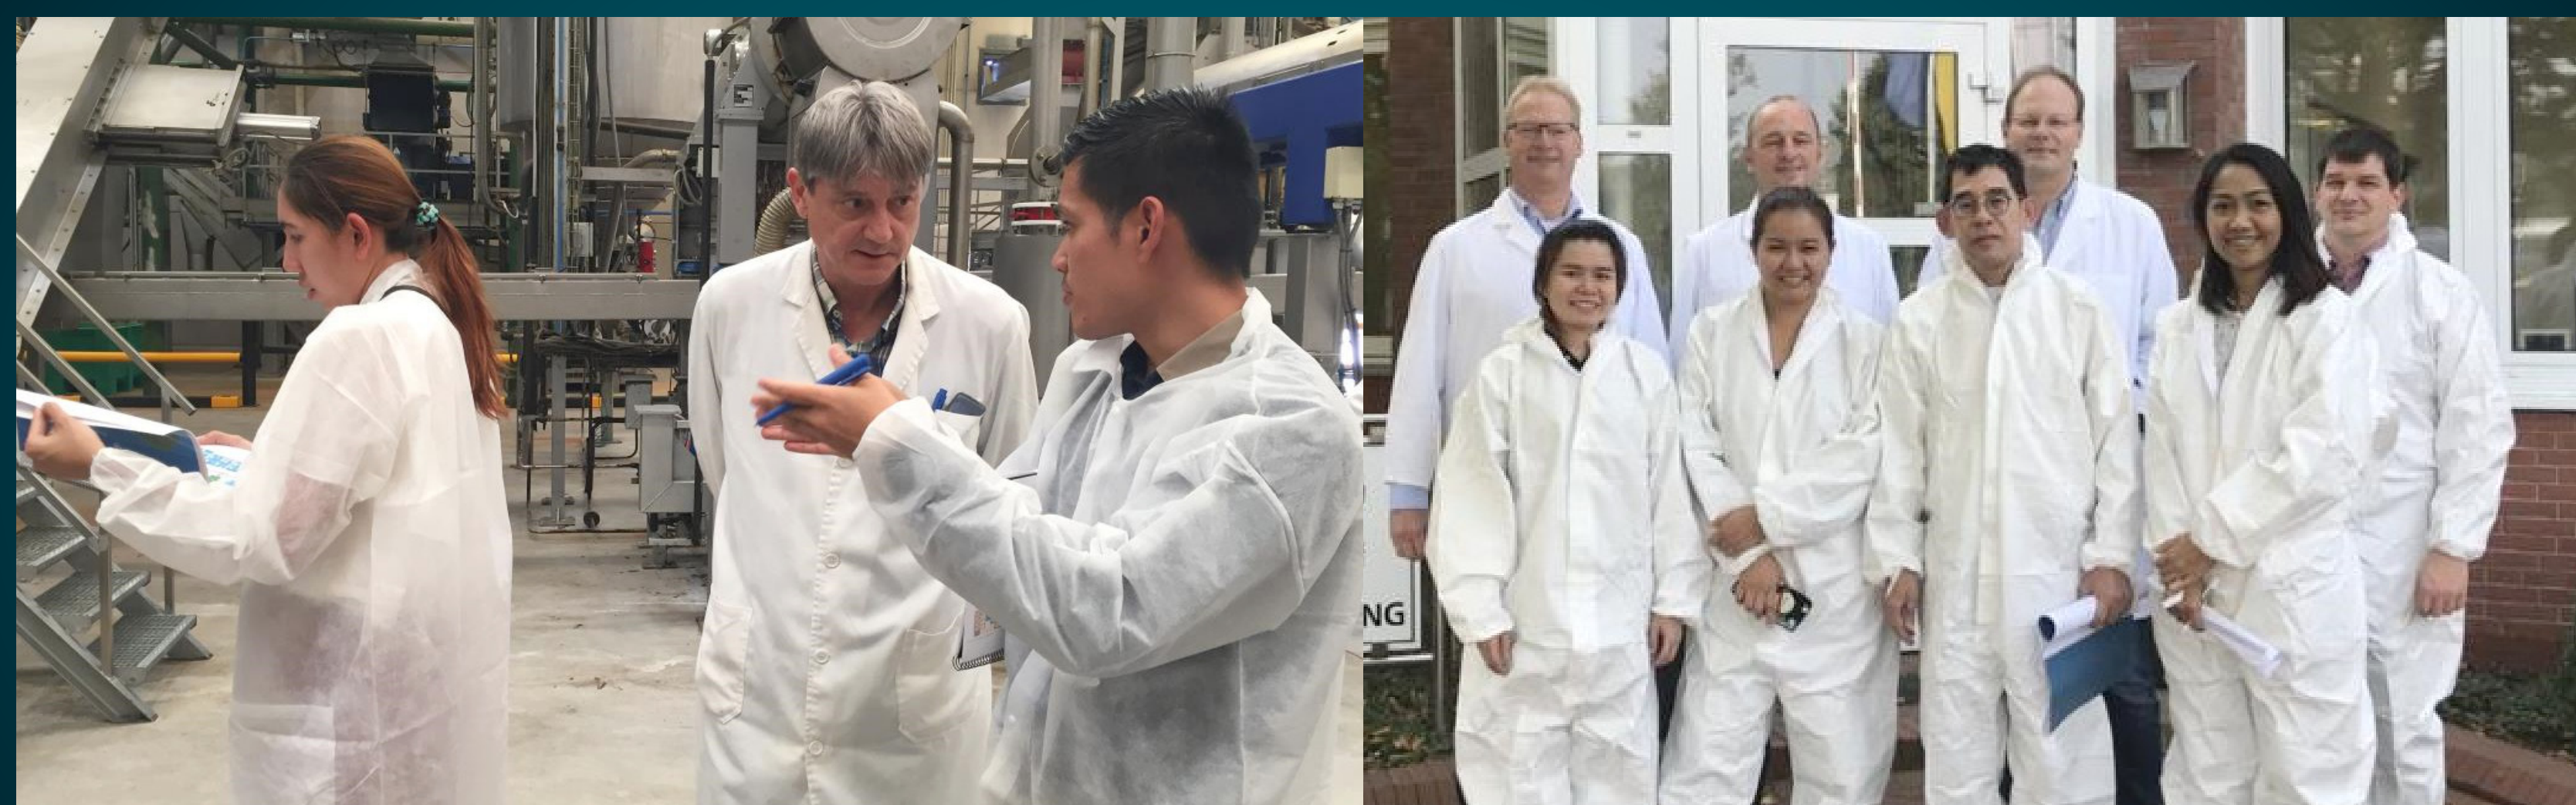

The list of documents required for on-site inspection of animal feed production facility

WELCOME
Division of Animal Feed and Veterinary Products Control
Government Complex of Department of Livestock Development Pathum Thani province

First, submit documents required for on-site inspection of animal feed production facility.

Step 2

DLD auditor team conducts an on-site inspection of animal feed production facility in the exporting country.

- ✓ Production facility is approved by DLD.
- ✓ Health Certificate is complied with import requirements.

Step 3

Wait !! At the port of arrival, the officers from the animal feed quarantine station will check the importation documents such as health certificate, relevant import documents and also collect animal feed samples.
